Dear Ben and Brigitte:

Your continued support of our annual Derby Festival Parade Day Cookout has provided delicious meals and countless good memories that our staff and clients will cherish for years to come. Your dedication and commitment to feeding families who are homeless and underprivileged is greatly appreciated by The Center for Women and Families.

We hope to continue this long-standing tradition at The Center. As promised we have created an article to be included in our News & Notes section of our Fall Newsmagazine with the enclosed pictures. If you have any need for assistance for Meals on Grills on behalf of The Center we would be happy to help in any way possible. On behalf of our clients, staff, volunteers and board - thank you for your continued giving and for joining us in our work to help rebuild lives in our community.

Sincerely,

Jane W. Burks
President
